MINUTES OF THE ADJOURNED MEETING OF THE LEAGUE  
held on July 13th., 1923.

PRESENT: Mr A. A. Moffat - in the Chair.  
Messrs. Norton and Heenan, Greif and Webb, Wilson and  
Ulrich, McDonald and Russell, Hyman and Stevens, Waldoock.

Mr Heenan moved, Mr Ulrich seconded - That the League go into Committee. Carried.

The business of the evening was in connection with matters arising out of a discussion at the previous meeting in connection with the alleged bribing of players in a certain match.

Mr Heenan stated that two players of his Club were prepared to make a statement in connection with what were alleged to be attempts at bribery not to play football of their best. Not being desirous of running any risk of a libel action, the players concerned requested the protection of the League.

Mr McDonald moved, Mr Russell seconded - That this League indemnify all witnesses who make Statutory Declarations against any legal action that may be taken against them in connection with such Declarations, and such costs shall be paid from the funds of the League. This motion to apply to League witnesses only. Carried. Mr Greif and Mr Webb against.

H. J. Gepp, a player of the East Perth Club, was requested by the President to make a statement, after being advised that the League was prepared to indemnify him against any action in the event of his being required to make a declaration or affidavit.

Mr Gepp replied that he was prepared to make the same statement that he had already made to his Club Secretary, which was as follows:-

"On Friday afternoon prior to the East Perth v West Perth match, he was communicated with by telephone, and asked to go along and see a certain person. The message bore no reference as to what he was required for. The person whose name was given to him on the telephone was known by him to be a supporter of the West Perth Club. As he considered that his reputation might be injured if he was seen speaking to this person on the eve of this match, he rang his Club Secretary and told him what had occurred, and asked advice on what to do. Later in the afternoon he went to this person's shop, who was not where he expected to find him, but he saw him on the opposite side of the street and went over to him, and said - "What is all the secrecy about?" The person replied - "Come and have a drink". After drinks, a certain suggestion was made to him in connection with the match on the following day. It was that if West Perth should win, this person had £20 for him. He replied "Not for me", and said that he had always played the game for the love of it, and always intended to do so. The person also said that it had been decided to approach three players of the East Perth Club. Of these three, one was employed in a Solicitor's Office, one in the Government and one other. The person also said he had a fellow in Leederville willing to put in £30 or £40 to see West Perth win, and that at all costs West Perth should win. He also said that it was not a question of betting at all, but of West Perth gaining a position in the final four, and that certain individuals were afraid that East and South Fremantle would win in the following matches, and that if West Perth were beaten in the match tomorrow, they would be in a very bad position in the final four. The person said that he had been asked to approach him and said "I have done so like a man, and you have refused like a man. I suppose that is the end of it". I said "Yes, but suppose my Club is beaten tomorrow, and I play a bad game, will you protect my name at Leederville?" He said "Yes I will. I will tell them that Nugget Gepp was not in it", or words to that effect. I said "But you will not tell them that you approached me, and that I refused." He said "No, I don't suppose I will". I reported the matter to my employer, and later on to my Club Secretary. One expression the person referred to made use of was this - After I said "Not for me" referring to the man who had £30 or £40 to place on the match, he said "Very well, I was asked to see you, and you have refused. The offer will be made to others." Undoubtedly other words were spoken, but to the best of my knowledge, they were not material to the point. These are the material facts that I place before you. No other names were mentioned to me."

V. Sparrow stated - "That about 8.30 last Friday morning I was approached, and offered a certain sum of money to assist in allowing West Perth win against East Perth on the following day. The sum of £10 was offered to me. The person who offered the money said that he knew a punter who was prepared to back West Perth for £40, and that if he could stop a couple, it would be a good thing. The conversation occurred in a business place, not where I work. I replied "That sort of business is no good to me" and "I did not want to have anything to do with it". I did nothing until I rang the Secretary of my Club. It was a messenger who came to me saying that \_\_\_\_\_ wanted to see me. I did not know the messenger. No other names were mentioned. I remember being in the Perth Hotel last Friday, and did not hear a statement as a West Perth Committee Man went by, that "if ever a man's face convicted him, that man's does." The person who spoke to me, was not the same man whom he had heard had approached Gepp. He advised his Club Secretary about 4 or 4.30 p.m. He was prepared to sign a statement giving the names, if he was protected by the League. The person who had approached him, had seen him since and referred to the matter, and stated that if possible he did not want his name mentioned, and asked him not to mention it."

After the players had retired Mr Hyman moved, Mr Stevens seconded - That the League take the sworn declarations of Sparrow and Gepp. Mr Heenan moved an amendment which was seconded by Mr Waldo - That the matter be left in the hands of the Executive to consider the position, and to report to the League at its next meeting. The amendment was carried.

The object of the meeting was to hold an inquiry into the disturbance which occurred during the match on the Subiaco Oval, on August 11th, between Subiaco and South Fremantle.

All of the umpires officiating at the match, had been summoned to attend, and the following were in attendance; Messrs Nash, central, Everett and Nancarrow, goals, Smellie, boundary. Boundary Umpire Goldman was not in attendance, nor did he advise of his inability to attend.  
Each umpire gave his version of what he had seen of the occurrence, but none was able to say that he had definitely seen any blows struck by any individual. Apparently all that was seen was the general melee where players were endeavouring to pull other players away, and which resulted in a greater confusion. The umpires were questioned by delegates, and advised to exercise their powers of reporting unseemly incidents, to a greater extent.  
Mr McDonald moved Mr Webb seconded THAT Boundary Umpire Goldman be requested to give his reasons for his non-attendance, and to attend the next meeting of the League. Carried.

Conference with Mr J.L.Walker, Solicitor, October 10th, 1924.

Report of the Special Committee consisting of Messrs Webb, Norton, and the Secretary, appointed by the District Football Committee to meet and discuss the District Football Regulations, with Mr J.L.Walker, Solicitor. The Committee was instructed to have the Regulations arranged and drafted in such a manner that no anomalies could exist. Mr Walker was given the spirit of the Regulations and the desire of the League, and he undertook their arranging and drafting, and would supply copies at the earliest moment. It was also considered advisable owing to the fact that the introduction of these Regulations would make some of the present League Rules and Regulation inoperative, to suggest to the League, that the whole of the League's Rules and Regulations should receive attention. The Committee therefore recommends, that Mr Walker be requested to re-draft and re-arrange the whole of the League Rules and Regulations.

*Adopted

15/10/24*

Report of the Conference held on Tuesday, October 14th 1924, between the District Football Committee. The League Committee was represented by Mr C.G. Norton, in the chair, Messrs Ulrich, and Stevens. Mr Webb forwarded an apology for his absence. The following junior bodies were represented, Perth Suburban Association, Fremantle Suburban Association "B" Grade League, Perth District Association.

Mr Norton outlined the desires of the League in bringing the junior bodies together. It was considered advisable to let the juniors know of the effects of the introduction of District Football on existing junior organisations, and the general desire that in future, all juniors must play for teams within their own League district, with the exception of teams in un-allotted areas. It was pointed out that the new district football regulations could be applied to any junior organisation with benefit to themselves, and that associations could be better graded, and that the grounds problem could be more satisfactorily overcome.

In the general discussion, it was conceded that it was advisable to have only the six clubs in the "B" Grade, each League club to have its "B" club, that the wants of the juniors in the Fremantle district should be catered for by the Fremantle Suburban Association, and that the order of the grading in the Perth area should be League, "B" Grade League, Perth Suburban Association "W.A.F.A.", and M.J.F.A. The principle applying to those Associations to be, no clearance required for a player to go up, but a clearance required to go down, with the exception of the League and the "B" Grade league, where interchange is permitted without a clearance. It was also agreed that junior players must belong to clubs in the district in which they reside. It was agreed to have early meetings of the respective associations to rearrange the personnel of their clubs, so as to have everything in readiness to commence operations immediately after the 1st day of January.

The League then heard a deputation representing the Soccer Football Association. After the President had welcomed the members to the League, Mr. W.C. Thomas expressed regret that a Fremantle paper had incorrectly reported on the Soccer Association's request to the Fremantle Council. The statement of that paper was not true. After Mr. Thomas had expressed the hope that amicable relationships would continue to exist between the two bodies, and hoped that occasions would be frequent when they would meet to discuss matters of mutual interest, he proffered the request that the League should postpone all their matches on May 9th, in view of the international soccer match. Mr. Thomas was supported by Mr. Robinson Cook and Mr. Murray. In his remarks, Mr. Murray said that he, as Secretary, had sent the letter to the Fremantle Council, and not one word was mentioned in regard to the League whatever. He undertook to send a copy of that particular letter to this League. Mr. Murray considered that the soccer people were entitled to a percentage of enclosed grounds, and he hoped that both bodies would come together early next season to discuss that matter. He stated that soccer must have an enclosed ground, and that they were going to try and get it somehow. They were already working for a ground of their own, and they had gentlemen behind them who were prepared to put money down, and up to the present they were doing very well. He hoped that the League would see their way clear to postpone their fixtures on May 9th.

Upon their retirement, standing orders were resumed.

The proposal to send a team to the Schoolboys Carnival to be held in Adelaide next August.

And any other item of mutual interest.

Dealing with the first item, it was ascertained that the St. Patricks School and the Fremantle Boys would nominate boys teams for the competition, but no word had been received from the Fremantle Christian Brothers school. Mr Fowler and Mr Hansen advised that that had been instructed to intimate that, owing to the large amount of time devoted to football by their schools, they would be unable to compete. It was proposed to ask the central schools to transfer the Thursday afternoon competition to Saturday afternoon, and that the President and Secretary wait on the Perth Boys and Technical School to proffer that suggestion.

It was decided to defer consideration of the interstate carnival until the next meeting.

It was agreed that the League would assist the Fremantle Schools by the provision of half payment of footballs and a framed photo for the runners up of the division, they to provide their own umpires. Assistance for the Perth Schools to be in the form of half payment for footballs and a framed photo for the premier team of each division.

The meeting then adjourned until Friday, May 1st.

CONFIRMED.

21/4/26

MINUTES OF THE MEETING OF THE EXECUTIVE HELD ON WEDNESDAY APRIL 14th.  
1926.

Mr A.A. Moffat, in the chair, also Messrs Wilson and Allanson.

Moora Football Association. Forwarding for endorsement, disqualifications imposed upon the players of the St. Ildephonsus team for non-compliance of the rules.

It was decided that although it was recognised that the Association had acted perfectly in accord with the rules, in view of the fact that the players concerned were schoolboys, they were under the control of the principal, consequently that were not free to decide for themselves in the matter under dispute. It was considered that the penalty imposed was too severe, and the Executive recommend that it be reduced to read "the balance of the 1925 season". One of the players mentioned, J.B. Clune, is an East Perth player, therefore the Association had no jurisdiction over him, and his name should be removed from the list.

ADMISSION TO GROUNDS.

In view of the fact that the League and ground authorities had decided that all admissions to matches must be through the turnstiles, and that open gates were to be abolished, it was decided that the Secretary arrange for suitable tickets for admission for players, League officials, press, Life Honorary members, and the necessary arrangements for pass outs and the admission of bicycles, prams, etc.

CONFIRMED.

PRESIDENT.

MINUTES OF THE MEETING OF THE LEAGUE HELD ON WEDNESDAY, APRIL 21st,  
1926.

-- Carried.

South Australian League requesting reconsideration of the refusal of the application for clearance of R. Snell.

Mr. Stevens moved, Mr. Stooke seconded: "That they be advised that the rules provide that when an application is refused the matter is final."

-- Carried.

REPORTS:

The report of the meeting of the Permit Committee held on even date was adopted on the motion of Messrs. Webb and Cuffe.

The report of the meeting of the Finance Committee held on even date was read.

Mr. Wilson moved, Mr. Morris seconded: "That the report be amended by adding the 'Fremantle Herald' to the list of papers to be advertised in."

-- Carried.

Report of the Executive meeting held on April 14th was read and adopted on the motion of Messrs. Allanson and Cuffe.

The report of the meeting of the Protests and Disputes Board held on even date was read. The matter before them was a request for an interpretation of Rule 93 as it related to residential qualification. The Board was of the opinion that where it is shown that a person had actually resided in a district in pursuance of an invitation from a Club in that district, it should be taken as conclusive that he had come to reside in such district in accordance with the rule. An invitation to play with a Club and to reside in that Club's district, and the acceptance of such invitation, would be held to be evidence of such person's intention so to reside in such district:

Provided that such person actually went and resided in such district.

The report was adopted on the motion of Messrs. Ranford and Stooke.

MOTIONS ON NOTICE:

Having given notice, Mr. Ranford moved, Mr. Webb seconded: "That the consequential amendments to the rules as enumerated at the last meeting caused by the creation of the Umpires Board be made." Carried.

Mr T.C. Wilson, in the chair, also Messrs McKenzie and Skipworth.

Apologies were received from Junior Technical, Fremantle Boys, and Modern  
School.

Mr Skipworth outlined the scheme which had departmental support for the  
thorough organisation of all the schools, including country areas. The  
schools would be organised on the strenght of school standards, with a  
due regard for travelling facilities, and would be divided into divisions.  
The scheme was now in process of organising and satisfactory reports  
were received from each division. In addition to the inter-school  
competitions, the bigger schools were being urged to conduct class  
competitions, so that each boy in the ~~xxxx~~ school would be playing foot-  
ball. It was mentioned that the scheme had the backing of the Minister  
for Education, and the Director of Education.

It was decided to conduct the usual Saturday League Competition on  
the same conditions as previous years, and provided that no alteration  
of policy became involved, the details be left in the hands of the

MINUTES OF THE CONFERENCE BETWEEN REPRESENTATIVES OF THE LEAGUE AND  
REPRESENTATIVES OF THE UMPIRES ASSOCIATION HELD ON FRIDAY JULY 2nd.  
1926.

Mr A.A. Moffat, in the chair, also Messrs Wilson, Norton, Ranford, and Stooke representing the League.  
Messrs Mann, Everett, Toll, Collins, Cassey, Brack, Davies, representing the Umpire's Association.

The conference was the outcome of correspondence between the two bodies wherein an application for increased fees had been made by the Association, but which was not acceded to by the League. The Association made a claim on behalf of its members for the following rates, Field Umpire, £4.4.0., Boundary Umpire, £1.11.6, Goal Umpire, £1.1.0.

The Secretary of the Association, Mr Everett, in submitting his case, claimed that the umpires were justified in requesting increases based on the same fees as those paid in Victoria. The umpires here had the same rules to work to and to interpret, and it was a case of equal work for equal pay. The matter of whether a controlling body could afford or could not afford to pay, was no argument, although he considered the League could afford to pay. Their service was such as to warrant an increase which he considered as being fair and reasonable.

After searching for a basis for a discussion, Mr Cassey suggested that the League might submit a proposal for consideration. League representatives retired and upon returning submitted the following as rates of payment; - Field £3.15.0, Boundary, £1.5.0. Goals, 15/-, these being exactly the same rates as at present paid in South Australia, and represented an increase of 7/- to Field Umpires, 4/- to Boundary Umpires, and 4/6 to Goal Umpires.

The Umpires retired to consider the matter and upon returning, Mr Everett stated that they were prepared to accept the rates offered provided that the increases were made retrospective as from and including the first match of the current season.

It was ruled and accepted that the qualification was impossible as the monies received to date had been paid out and could not be recovered, and that the rules would not permit of payment being made retrospective.

The Umpires retired and upon returning requested that the rates be increased to Field £3.17.6, Boundaries, £1.7.6., Goal, 17/6,

As the League representatives could not agree to this proposal, and adhered to their first offer, Mr Everett stated that he was sorry no finality had been reached, and they would have to report to a meeting of members. In the meantime their members would carry out their duties on the 3rd. inst. at the present rate of pay without prejudice to their previous claim.

CONFIRMED.

MINUTES OF THE MEETING OF THE SCHOOLS AND JUNIORS COMMITTEE AND THE SCHOOLS REPRESENTATIVES HELD ON FRIDAY MAY 13th. 1927.  
Mr J. Tucker, in the chair, also Messrs Telford and Wilson, (League), Messrs Skipworth, Anderson, Halliday, Schonnell, Elliott, Kelly, Dolan, and Brother Breshnahan. Apologies were received from Messrs Chandler and Oates.

The object of the meeting was to give consideration to the sending of a schoolboy's team to the Australasian Schoolboy's Football Carnival to be held in Hobart.

It was decided to be represented at the Carnival and that a team be sent comprising a manager, an assistant manager, and twenty three players.

Selection Committee. The following were appointed a Selection Committee, Messrs Skipworth, Kelly, and Anderson.

Captain. Mr Wilson moved Mr Schonnell seconded THAT the appointment of a Captain and a Vice Captain be left to the Selection Committee. Carried.

Coach. Mr W.J. Skipworth was appointed coach to the team.

FINANCE.

Consideration was given to the financing of the team. It was pointed out that for the past two years, the financing of the team was borne by the League. In view of the fact that the League was committed to very heavy expenditure this year with its Carnival team, it was suggested that greater efforts should be made by the schools to assist financially.

It was estimated that the trip would cost £450 and it was considered that the following could be regarded as a reasonably reliable source of revenue:-

League	£50	0	0
23 players at £5 each.	115	0	0
Fremantle Division.	50	0	0
7 League Clubs £5 each.	35	0	0
Contributory Schools. £5.	40	0	0
Goldfields Quota.	20	0	0
C.B.C. Fremantle.	10	0	0
St. Patrick's School.	5	0	0
Junior Technical School.	5	0	0
Button Selling Scheme.	75	0	0
	£400	0	0

A sub committee consisting of Messrs Elliott, Halliday, and Schonnell were appointed to handle the scheme submitted by Mr Halliday for the purpose of selling buttons during League matches. By that means it was expected to raise at least £75.  
The next meeting was fixed for Friday June 10th.

Mr Halliday reported having secured 5000 buttons at a cost of £24, for issue to raise funds. These would be put into circulation at once.

Mr Tucker reported conferring with the heads of the contributory schools relative to the raising of £5 per school. The question would be favorably entertained if the schools had direct representation in the team. He suggested advising the schools of any of their ex-students who would be regarded as possible members of the team.

Mr Elliott moved Mr Halliday seconded THAT we communicate with the Goldfields relative to a supply of buttons. Carried.

MINUTES OF THE MEETING OF THE FINANCE COMMITTEE HELD ON WEDNESDAY,  
JUNE 22nd, 1927.

PRESENT: Mr. A.A. Moffat (in the Chair), also Messrs. Wilson, Stooke, and Webb.

The Minutes of the previous meeting were read and confirmed.

"B" GRADE DEPUTATION:

Consideration was given to the items submitted by the representatives of the "B" Grade League which had been referred to the Committee by the League when the following recommendations were agreed to:-

1. "That the two per cent with a maximum of £100 be altered to two per cent with a maximum of £150."

Recommend that request be refused. (It is considered that the present allowance is generous. Revenue has fallen this year, and in any case if the money was available it could be spent with greater equity in lower grades. It must also be noted that the Carnival expenses are very heavy this year.)

2. "That the last paragraph of Rule 85 should not apply to the "B" Grade League, who should have the right of appeal to the Board."  
(This par. states that the refusal of a clearance by the Club is final, and the player must continue with his old Club.)

Recommend that request be refused. (It is not advisable to have different rules for the League and "B" Grade.)

3. "That all clearances shall be endorsed by the "B" Grade Club."

Recommend that request be granted.

4. "That all district players graduate through the "B" Grade team to the League team."

Recommend that request be refused. (At this stage we consider it best for Clubs to decide their own policy in this matter.)

5. "That the League reserve a Saturday and a Wednesday during 1928 for a visit from the S.A. "B" Grade League."

This is a matter for the incoming League when arranging fixtures for 1928.

6. "That the condition of the game in Midland Area should receive the consideration of the League."

There is very little data to go on. We would suggest that the Midland "B" Grade officials be asked for suggestions as to the best way to improve the game in the Midland Area. The formation of a Junior Association may be possible, and is probably advisable. Local football enthusiasts should be able to advise prospects. Without full facts we can suggest nothing, and financial assistance would be of little value without enthusiastic local organisation. It may be possible for the Secretary of the League, with his advice and direction, to create a better organisation in Midland Area.

7. "That consideration be given to the interpretation of Rules 86 and 94."

(Note: The point raised was that if a player's period of 24 months' residence in another district expired in the middle of the season, and the player was playing with his old district Club, what was his position?)

We consider the interpretation is quite clear. Obviously he must continue playing with his old club, and may the following year apply for a clearance to his new district club, when, if his clearance is refused, he must continue to play with his former district club. (Vide Rule 85.)

Rule 94 states that a player can play with only one District Club in any one year. This is a good rule.

Read and confirmed the                      day of                      1927.

CHAIRMAN.

MINUTES OF THE MEETING OF THE LEAGUE HELD ON WEDNESDAY, JUNE 22, 1927

PRESENT: Mr. A.A. Moffat (in the Chair), also Messrs. Wilson and Burns Row and Hyman, Cuffe, Telford and McKenzie, Webb and Jeffery, Stooke Allanson and Snow.

Minutes of the previous meeting were confirmed on the motion of Messrs. Row and Allanson.

The President made feeling reference to the death of the late Dr. Officer, who, in his time, was one of our greatest players. The members of the League paid its tribute to the late gentleman's memory by rising in their places. It was also decided to forward a letter of condolence to the bereaved relatives.

INWARDS CORRESPONDENCE:

Secretary, W.A. Cricket Committee, suggesting that the League decide upon one particular ground for the final round with a view to permitting the wickets on the remaining grounds to be prepared earlier, thus allowing cricket to commence earlier.

Mr. Telford moved, Mr. Hyman seconded: "That the letter be referred to the Permit Committee for consideration and report." -- Carried.

Secretary, Australasian Football Council, forwarding copies of the proposed amendments to the Constitution and the Laws of the Game as submitted by the different Leagues.

Mr. Hyman moved, Mr. Webb seconded: "That a sub-committee be appointed to investigate the proposals and report to the League." -- Carried.

The following committee was appointed:-- Messrs. Stooke, Telford, and Hyman.

REPORTS:

Match Reports for June 6th, 11th and 18th were read and adopted on the motion of Messrs. Wilson and Row.

Report of the Finance Committee Meeting held on even date was read. The report dealt with the proposals submitted by the "B" Grade representatives who recently waited upon the League.

On the motion of Messrs. Webb and McKenzie it was decided to defer consideration until all delegates had been supplied with copies of the recommendations.

GENERAL BUSINESS:

Mr. Jeffery intimated that he had received correspondence from the Wimmera Association asking if it was possible for the Carnival team to play there whilst returning from Melbourne. He desired to know if the League had any objection.

Mr. Webb moved, Mr. Hyman seconded: "That the matter of arranging a match with the Wimmera District be left in the hands of the Manager and Assistant Manager." -- Carried.

East Fremantle Tour: The application having been referred to the League from last year, Mr. Wilson formally asked permission for East Fremantle to visit Tasmania during the 1928 season.

Mr. Webb moved, Mr. Row seconded: "That the necessary permission be granted." -- Carried.

Mr. Jeffery asked if the Selection Committee were empowered to consider a player for the Carnival team outside the League Clubs. He was advised that any player within the State could be considered, but it was a matter for the Selection Committee.

NOTICE OF MOTION:

By Mr. Hyman: To move the alteration of sub-clauses of the Rules as follows:-- "Committees:" Delete sub-clause (e), Umpires' Board, and all words appertaining to same. Clause (b) Permit Committee: Add the word "Umpires" to function 5, which will then read as follows:-- "Allocate Umpires and Grounds for all matches and submit the same to the League Council for approval and amendment."

PRESIDENT.

The Sub-Committee appointed, suggest that the following practice be adopted for the accommodation and control of Trainers, Coach and Officials of respective teams at the matches:-

1. That seats or forms - in single rows - be placed inside the Oval ~~for~~ arena fence, (similar to that provided on Perth Oval at the South Australia match) such seating to accommodate twenty people, being ten from each Club.
2. That each Club be supplied with four distinct badges for the use of four trainers, four being the maximum number of trainers allowed inside the arena. Each Trainer to wear the badge attached to his coat lapel front.
3. Clubs to be advised that accommodation provided covers four Trainers, a Coach, and five Officials of their Club and that on no account are they to approve of the entrance of any other persons.
4. Trainers are not allowed to encroach on the playing arena unless called upon by the Ambulance Officers or at ~~three~~ quarter time or at the instruction of an Official duly appointed to control such occasions. The practice of taking refreshments out at quarter-time to be absolutely discontinued.
5. At three-quarter time ~~xx~~ four trainers and the Club Coach are the only persons allowed on the playing arena.
6. Umpires to be instructed to ~~retain~~ possession of the ball during the intervals and make the quarter-time change over as quickly as possible. The intrusion of trainers at the interval is to be discouraged by Umpires.
7. An Official appointed <sup>by the League</sup> from the Home team and the Police Official shall have power to see Badges and to co-operate in the carrying out of these desires.
